PETITION TO CORRECT THE ASSIGNEE UNDER 37 CFR §1.183

Dear Sir:

Pursuant to 37 C.F.R. § 1.183, Applicants hereby petition for correction of the Assignee information of U.S. Patent No. 6,800,735 via Certificate of Correction. The Applicants request that 37 C.F.R. § 3.81(a) be waived to permit the correct name of the assignee to be provided after issuance of the patent. The Applicants state that failure to include the correct assignee name on the PTOL-85B was inadvertent. Applicants inadvertently listed "Biogen, Inc." as the assignee on the Issue Fee Transmittal Form (PTOL-85B) submitted August 23, 2004 despite the fact that it was public knowledge as of November 12, 2003 that Biogen had changed its name to Biogen Idec, Inc. A Security Information Bulletin released November 12, 2003 announcing the name change is submitted herewith as Exhibit A. A copy of the Notice of Recordation of Assignment Document is submitted herewith as evidence of the assignment name change to Biogen Idec MA

Inc. recorded at **Reel 015386, Frame 0409** on November 17, 2004.

Should this petition be granted, Applicants hereby request that the file be forwarded to the Certificate of Correction Branch for issuance of a Certificate of Correction under 37 C.F.R. § 1.323. Accordingly, Applicants submit the accompanying PTO/SB/44 Certificate of Correction to correct the assignee in the printed version of U.S. Patent No. 6,800,735 B2.

Fees

Applicants hereby authorize the Commissioner to charge the \$130 fee set forth in 37 CFR 1.17(h) for the petition under 37 C.F.R. § 1.183 to our **Deposit Account No. 06-1448; Ref: BII-007.01**. In addition, Applicants hereby authorize the Commissioner to charge the \$100 fee set forth in 37 C.F.R. § 1.20(a) for the Certificate of Correction under 37 C.F.R. § 1.323 to the aforementioned deposit account should the petition under 37 C.F.R. § 1.183 be granted. Applicants believe that no additional fees are due in connection with this submission. However, if any additional fees are due in connection with this submission, the Commissioner is authorized to charge any deficiencies to the aforementioned deposit account.
